### WILL YOU BE IN THE WIND TOMORROW

Will you be in the wind tomorrow  
with my wet hair  
I will be on the Bridge of the River Adige  
with a view that seeks  
the green as are all the plants  
in all my garden

Will you be in the wind tomorrow  
with my hands  
full of your long silence

Tomorrow I will be  
on the Bridge of the River Adige  
as the wind dances  
with the emptiness of the soul,  
with a unique spark of life
