

THE MOMENT OF THE ABSENCE

Publishing House „PEGAZ“ Bijelo Polje, 2020

PRELUDE

I only have one window.

Opposite in the open landscape
my View comes.
Hands never seen before
overwhelm me,
my complaint penetrates
towards you.

I expect Nothing
from my window,
you closed another door for me.
So that I
can be your open space.

I will find you again
where Open and Closed meet.
